

Basic Nutrition.

Ammonium chloride	Iron sulfate	Manganese citrate	Silver hydroxide	Vitamin A
Boric acid	Iron (11) chloride	Manganese picolinate	Sodium bicarbonate	Thiamine
Boron picolinate	Iron (111) citrate	Molybdenum chloride	Sodium chloride	Riboflavin
Calcium carbonate	Iron phosphate	Molybdenum (Iron molybdate)	Sodium phosphate	Nicotinic acid
Calcium chloride	Iron picolinate	Molybdenum picolinate	Sodium sulphate	Niacinamide
Calcium citrate	Magnesium acetate	Platinum chloride	Sulfur	Pantothenic acid
Calcium citrate malate	Magnesium ascorbate	Potassium ascorbate	MSM	Pyridoxine
Calcium fluoride	Magnesium bromide	Potassium bicarbonate	PAPs	Folic acid
Calcium lactate	Magnesium carbonate	Potassium bromide	Glucosamine sulfate	Cyanocobalamin
Calcium malate	Magnesium chloride	Potassium carbonate	Vanadium sulfate	Hydroxycobalamin
Calcium phosphate	Magnesium cit / malate	Potassium chloride	Zinc arginate	Biotin
Calcium sulphate	Magnesium citrate	Potassium citrate	Zinc ascorbate	Vitamin C
Chromium chloride	Magnesium hydroxide	Potassium iodide	Zinc carbonate	Vitamin D3
Ultra chrome	Magnesium iodide	Potassium phosphate	Zinc chloride	Vitamin E
Copper chloride	Magnesium malate	Potassium sulphate	Zinc citrate	Vitamin K2
Copper citrate	Magnesium oxide	Selenium cysteine	Zinc orotate	RNA/DNA
Copper glycinate	Magnesium peroxide	Selenium methionine	Zinc oxide	DNA
Copper oxide	Magnesium phosphate	Selenium picolinate	Zinc picolinate	RNA
Copper picolinate	Magnesium sulfate	Selenium sodium	Zinc sulphate	O2
Gold chloride	Manganese chloride	Silica	Triple zinc cit/pic/sul	CO2
